**Fund Performance Analysis**

-Unit Holders of Shariah Compliant Balanced and Income Funds must appreciate the investment performance reflected through the good annualized returns achieved by prudent Shariah Compliant investment practices of DFTL in addition to benefit of Takaful coverage. Despite prevailing economic conditions Net Asset Value of the Funds shows excellent profitability and growth since inception. Funds exposure in high quality Sukuks and well placed bank deposits expected to keep contributing towards consistent returns in the future. DFTL has launched the Aggressive Fund on April 29, 2011 by investing in shares of KMI 30 index companies (KMI 30 index comprise of high quality listed Shariah Compliant equity instruments), it is expected that this fund would yield high returns going forward.

**Management of the Funds**

Participant Investment Funds are governed by the Investment Committee of the Company which follows best Asset Allocation Policy which specify maximum and minimum limits within which fund is invested in a particular class of assets. The range of allocation provides flexibility in investment decision based on prevailing market condition and effective cash management.
