Fund Performance Analysis

- State Bank of Pakistan has cut down benchmark discount rates consistently during the past year, which has affected the profit yields of all the non-equity based investments. Management has put forth its best effort to mitigate the impact by smart and timely asset allocations and applying superior investment management skills without exposing our participants to undue risk. The annualized rate of return for year 2013 of balanced and Income fund has been maintained at 7.09% and 7.48%.
- The annualized rate of return for year 2013 of Aggressive Fund was 12.28%. The Company follows the policy to invest in premium Shariah compliant shares available in the market.
